Job Description

Job Purpose:

We are looking for a skilled and reliable Plumber to join our team, working on various projects across Co. Louth & Dublin. The successful candidate will be responsible for installing, repairing, and maintaining plumbing systems on residential and commercial projects.

Duties and Responsibilities:

• tudy and analyse blueprints and floor plans to understand the plumbing system and water supply system layout.
• Installs pipes and fixtures, such as sinks and toilets, for water, gas, steam, air, or other liquids.
• Installs supports for pipes, equipment, and fixtures prior to installation.
• Assembles fittings and valves for installation.
• Modifies length of pipes, fixtures, and other plumbing materials as needed for a building.
• Uses saws and pipe cutters as necessary.
• Installs heating and air-conditioning systems, including water heaters.
• Collaborates with contractors, construction workers, electricians, pipefitters, and steamfitters in installing and repairing plumbing.
• Tests plumbing systems for leaks and other problems.
• Analyses problem and identifies appropriate tools and materials for repair.
• Chooses plumbing materials based on budget, location, and intended uses of building.
• Follows health and safety standards and complies with building codes.
• Performs inspections of plumbing systems to identify and replace worn parts.
• Installing heating system.
• Familiarise yourself with Procore and the facets within it.
• Capture all RFI's, Damage, theft and out of scope work through Procore
• Assemble valves, fittings, tubes and water system appliances.
• Install and maintain water system.
• Adhere to any health and safety policies and procedures to ensure the safety and wellbeing of self, staff and visitors.
• To ensure that all company standards and policies are followed and maintained at all times.
• ***Any other duties as requested or required by the Manager or Senior Management Team.***

Person Specification:

• Proven experience as a time served plumber – 5/6 years experience.
• Strong knowledge of plumbing systems and tools.
• Good communication.

Employee Benefits:

• Competitive compensation
• Company pension
• 30 days annual leave (inclusive of ROI bank holidays)
• Active social and charity calendar
• Opportunities for career progression

This opportunity is permanent contract. It is an excellent opportunity for a candidate who wants to gain experience with a progressive and dynamic company to further their career.
